Alumni Notes

The 2007 annual weekend held in June included good food, wonderful entertainment and many alumni.

The Wildcat golf outing was bigger than in previous years and many visited Main Hall after their day at the golf course.

The annual meeting luncheon was at a new time and was buffet style. The time seemed to agree with everyone, but there was mixed opinion on the buffet vs. a sit-down meal. **What's your opinion?** Keep in mind, a sit-down affair will significantly increase the cost. Next year's event will depend on your input.

The classes of 1947 and 1957 were the guests of honor and barely a dry eye was found in the crowd after the DVD presentation "The Spirit Lives."

The chapel exploded with fantastic performances from alumni on Sunday making the day one to remember. Todd Hoffmeister's jazz trio received a standing ovation after each set.

Scott W Porter '73 reconnected with several friends after contacting Main Hall for information. Most were great fans of the band Mr. Brown and rallied around their musical endeavors/adventures. A memorial gift for **Sue Lampert Looze '70**, was given on behalf of "The Mr. Brown Tribe" after they learned of her passing in 2006. Her husband **Richard (Toad) Looze** was also a 1970 graduate of Milton College.

Kerwin Mathews w47 was Milton College's contribution to the world of Hollywood. Kerwin attend Milton for two years before graduating from Beloit College, and going on to a film career. His most remembered film was the "7th Voyage of Sinbad," but his favorite role was Johann Straus in Disney's "The Waltz King." Kerwin passed in July.

JoAnna Rizzo '74 now resides in Sedona, Arizona, after retiring from a teaching career of the Montessori method in California. She is currently a corporate representative for Sun Terra Resorts.

Dick Brodie '57 could not attend the 50th reunion of his class because he was playing in the National Senior Olympic Softball tournament in Louisville, Kentucky.

Arnie Tillema '64 and family will be traveling to Shanghai, China, for the Special Olympic World Games in October. His son, Barry, is a member of the USA Golf Team. There are 400 athletes from the USA and 7,000 from over 150 countries. Good Luck Barry!

Walden (Froz) Lippincott w39 celebrated his 90th birthday on August 16 with a family reunion. Froz was the director of physical plant at Milton College for 15 years.

Rev. & Mrs. Bill Stevens '37 have moved into the Charleston House, an assisted living facility in Beaver Dam, WI. Bill calls the unexpected move "a real mess for an organized man! Keep me in touch with College, love her much."

Great Day for a Parade!

Thanks to Harry Sr., Harry Jr., and Carol Studebaker w'63, the original bell from the Main Hall bell tower was the highlight of the July 4th parade. The parade is sponsored each year by the Milton/Milton Township Fire Department, and this year's theme was "Remembering Milton College-the Bell Still Rings".

Parade marshals, some of the oldest alumni residing in Milton, included Louis Sunby '37, Peg Sayre '34 and Ethlyn Shadel '29. Other floats and placards in the parade showed support for Main Hall and the legacy of Milton College.

The bell was also on display at Main Hall for the summer.

Louie Sunby, one of the alumni parade marshals, waves to the crowd

Cub Scout Pack 417 proudly escorts the bell down the parade route.

Main Hall is the only building owned by MCPS and the only reminder of the legacy of Milton College. The minimal operating budget of \$37,000 funded through memberships and donations does not cover major repairs. Recently a large crack has developed in the northwest corner of the building that runs from the lower level to the first floor. In addition, the State Historical Society has made recommendations for further preservation projects that will be costly. For further information about how you can help, please contact Judy.
